<p><b>General Comments:</b> Jim H led on this one taking us out towards Crooke along the canal towpath. From here we climbed our way through Shevington along Pepper Lane and into Wrightington via Mossy Lea Road. The route turned left down Tunley Lane towards Robin Hood Lane, High Moor and stopping at The Rigbye Arms for a regrouping and drinks break.</p> <p>A narrow and difficult bridleway led us downhill past the quarry and into Hilldale for the run along Chorley Rd, Lancaster Lane and into Wood Lane. From Wood Lane we crossed the railway line and dropped to the canal towpath for the run back to Trencherfield.</p>
